BALTIC SCHOOL DISTRICT 49-1 DRIVER'S EDUCATION REGISTRATION SUMMER-2018

Plans for the 2019 driver education course in Baltic have been finalized. **Students who are 14 years of age on or before March 1, 2020 are eligible to take Drivers Education.** Students will be required to complete thirty hours of classroom instruction and six hours of individual driving time. A reminder to parents/guardians that students will not be excused from any of the classroom portion except for extreme circumstances. The state requires 30 hours of classroom instruction and at least six hours of driving time. The instructor will be Mr. Matt Konz. There will be one section of classroom instruction. Classroom instruction will be from **May 28-30 and June 3-4** with classes running from 8:00 – 2:30 with a 30 minute lunch break. Individual driving times will begin **Wednesday, June 6**. A driving schedule will be determined at a later date.

The cost of the course is \$215 for district students and \$255 for non-district students. *Registration and payment are due by Friday, March 22nd.* If you need to make arrangements for extended time for payment, please contact Business Manager Marsha Polzin at the school at 529-5464. All registration forms with payment (or have contacted the school to make arrangements for payment) must be turned in by March 22nd in order to reserve a driving time. If you have any activities during the summer that would conflict with a driving time, (such as camps, vacations, bible school, etc.) or would conflict with the classroom portion, please make a notation of this on the completed registration form and accommodations will be made.

Please fill out the registration form below and return to school by March 22nd to register your son/daughter for Drivers Education. Credit for this course does not count towards graduation and is not factored into the students GPA. If you have any questions, please contact Mr. Konz or me at 529-5461.
